MEMORANDUM FOR: Coordinator for Academic Relations, NFAC

SUBJECT: Request to Speak Before a Group

I am a Scholar-in-Residence in OPA/USSR-EE currently on leave from the Brookings Institute. I have been asked to speak to a small group of faculty at the University of Pennsylvania on 16 February and to a class at George Washington University on 18 February. My talks, on US and Soviet military diplomacy since the Second World War, will be drawn entirely from two books that I authored before I came to the Agency and will include no classified information. I have given these same talks on about a dozen occasions previously and several times (with approval) since I joined the Agency. Henry Wells, chairman of the Department of Political Science, is my contact at the University of Pennsylvania, and Barry Blechman, faculty adjunct, is my contact at George Washington University. There will be no cost to the Agency.
